

## Asia Miles Airline partner - American Airlines updates on mileage accrual

Starting 1 May 2018, for flights departure on or after, American Airlines applies the new mileage accrual.

For flight departed before 1 May 2018, members can still claim missing miles based on the old accrual chart 6 months after the flight departure date. For more details regarding to the old accrual proposition, please refer to the below chart.

### American Airlines mileage accrual chart before 1 May 2018
